Hilton Head Social Bakery features authentic french baked goods. We display a wonderful selection of savory pastries, like brioche, warm flaky croissants, cookies and bread. We also offer custom cakes for any occasion including wedding cakes.

We make all-natural baked items daily from scratch, with live access displayed through the pastry window and both interior and exterior video feed for your enjoyment. We also feature an open style coffee selection where we offer fair-trade organic coffee and tea as well as specialty coffee drinks.
