Serving the Finest Greek Food!

After moving to Hilton Head Island, Vassili (Bill) grilled Greek style for many friends and neighbors who nudged him to open a Greek restaurant. So Vassili and Barbara opened It's Greek To Me in 1997. Their three children, Nik, Alexander and Maria, worked hard by their sides and carved out an outstanding reputation for serving the finest Greek food in Hilton Head Island and Bluffton. It's Greek To Me expanded in 2008 and opened their new location on Lagoon Road where they continue cooking the timeless recipes passed down to Barbara over 20 years ago.
