**Burritos + Coffee might strike you as an unlikely pair. The duo, though, was exactly the sort of fresh food affair we were missing after relocating to Hilton Head Island from Miami. Craving South Florida's scratch-made, zesty combinations exploding with fresh produce, we set out to do it locally, our own way. The Java Burrito way.**

**A fast, fresh, casual experience coupled with a priority on customer service while supporting local and preparing fresh every single day.**
