**The local Haidon family opened Bluewater Adventure on Hilton Head in 2016 and opened their second location the following year in St. Augustine, Florida. Their love for the water and adventure led them to learning about Craigcat catamarans. Once realizing that these little boats were a blast the family decided to share their experience with everyone. Bluewater Adventure is proud to announce the opening of their newest location, The Keys in Islamorada, Florida.**

**Paving the path in the dolphin excursion business, the Haidon's now offer catamaran tours, pontoon rentals, powerboat rentals, jet ski rentals and Hilton Head's first-ever party cycle boat. On all their boat excursions you can learn about rich history and surrounding ecosystems while creating a memory you'll never forget.**
