

Open Daily 9 am - 10 pm  
8 Marina Side Dr  
Hilton Head, SC  
(843) 686-4001

In the heart of Hilton Head Island is a treasured retreat that winds through a seaside village, a tidal lagoon, a cave, all amid lush tropical landscaping and rushing waterfalls. Here, shade is abundant, adventure is in the air, the music is maritime and around every corner...pirates! It's called Pirate's Island Adventure Golf, and it's been a staple of family fun on Hilton Head for more than 30 years.

It is a meticulous maintained course. You are greeted by "extremely friendly and genuinely excited" staff. You can also choose a fun new web-based app in place of the traditional scorecard. It allows players to save and send scores while providing additional historical pirate lore. We put a lot of effort into improvements, adding props, signage, new carpet, widening sidewalks for wheelchair and stroller accessibility — and people notice! Our guests return each year and comment that Pirate's Island just keeps getting better with each visit."
