

Guests can experience interactive golf entertainment, with the transformation of the Robert Trent Jones golf driving range into a facility powered by Toptracer technology. This technology uses high speed cameras, coupled with sophisticated computer algorithms, to provide instantaneous ball tracking information to guests using the range.

(844) 546-8943
Open Daily 7 am -10 pm

The new Hilton Head driving range facility features 14 hitting bays, one more than previously, plus a VIP area all with high-speed cameras, TV monitors, technology and games. Casual seating is available.

**7 Trent Jones Ln,
Hilton Head Island, SC**
